

# NS Mobile

Instant Information for National Service Personnel

The National Service Portal is the first unified portal for all National Service (NS) personnel in Singapore including those from the Ministry of Defence (MINDEF) and Singapore Armed Forces, and from the Ministry of Home Affairs, Singapore Police Force and Singapore Civil Defence Force.

## EXTENDING PORTAL INFORMATION & SERVICES TO MOBILE PLATFORMS

With the proliferation of mobile devices, it is imperative that NS Portal eServices are also made available on mobile platforms. NS Mobile is developed to address the increasing demand for mobile e-services and lifestyle features on mobile devices.

## EASIER ACCESS TO NS-RELATED INFORMATION ANYTIME, ANYWHERE

NS Mobile provides easier access to NS-related information anytime, anywhere.

This new mobile service packs a comprehensive range of carefully selected features like NS mServices, Fitness Kit and even movie information that will complement our NSmen's lifestyle. With NS Mobile, NSmen will have easier access to information that matters.

The user interface comes in two forms: icon-based which will be familiar to iPhone users (refer to image); and text-based which lists the selection of services for phones with a smaller screen. Whether you are using an iPhone, Android or Windows mobile device, NS Mobile will automatically detect your handphone model and display the page in an optimised way.

## CHALLENGES

- Coping with increasing demand for information and e-services on mobile devices
- Improving e-Services experiences on mobile interfaces
- Implementation of a scalable system to support ever-evolving mobile operating platforms
- Maintain easy usability

## SOLUTION

- A mobile service application enabled with NS mServices
- Packs a comprehensive range of NS mServices, media rich content and lifestyle information
- Different forms of user interfaces to support varied mobile device operating platforms

## BENEFITS

- Provide NSmen with media rich content, such NS news, NS TV and NS History for access while on-the-move
- Perform key NS eServices at their fingertips, such as application of permits, appointment requests, or overseas notification
- Gain access to a wealth of lifestyle related information like fitness tips, movie synopsis, notable events, career advice, etc

#### NS News:

Keep up-to-date with NS news and notable events.

#### NSTV:

Enjoy military training and missions in action videos on the phone.

#### Fit+Life!:

NS Portal bloggers share tips, advice and secrets on getting fit for life, getting ahead in career and most importantly, finding love.

#### mServices:

Keep eMedInfo updated, on the move. Other NS eServices available include:

- BMT ePosting Order
- eMedAppt Booking
- Exit Permit
- IPPT Booking
- MyManning
- My NS Booklet
- Overseas Notification

#### Fitness Kit:

Everything you need to know about fitness including BMI Calculator, NAPFA Challenge Standards, IPPT Standards, 12 Weeks Training Programme for IPPT and Timetable of FCCs and SAFRA Gymnasiums.

#### Youngstas:

Special content especially meant for the young and pre-enlistees. Catch soldiers and students in action on NSTV or read up on health and fitness, love, and getting the right career in Fit+Life!.

### Media rich content

- Providing NSmen with interesting content such as NS news, NS TV and NS History which they can access on the move

### Useful Services and Information

- Provide NSmen with access to key NS eServices at their finger tips
- NSmen can also search for fitness-related information using the fitness tool kits
- To meet NSmen's lifestyle needs, a section providing entertainment information such as movie times and synopsis are included
